

PLACE YOUR NAME IN JHS HISTORY ON A COMMEMORATIVE BRICK

JHS TRAIL OF HONOR

Now is your chance to help enhance educational opportunities for Jackson R-2 students while leaving your mark in JHS History.

A contribution of \$100 (4 x 8) or \$250 (8 x 8) to the Jackson School Foundation entitles you to recognition on a clay brick paver in the JHS Trail of Honor, which is located between the JHS gymnasium and the new JHS event center. Net proceeds of this project will allow the Foundation to expand its support of Jackson teachers and students.

For this project the Foundation has chosen to use high quality Pine Hall Brick pavers. These clay pavers provide rich natural color that will not fade.

- \$100—Each 4 x 8 inch brick (standard sized clay brick) has a space for 3 lines with 14 characters per line (each space counts as a character).
- \$250—Each 8 x 8 inch brick (double-sized clay brick) has a space for 5 lines with 14 characters per line (each space counts as a character).

The time to act is now. To purchase a brick online visit our website at www.jacksonschoolfoundation.org. To purchase by mail, complete the form below and mail with your check:
